

Unilateral Withdrawal

Dear Mr. President,

Now you are faced with negotiating with two monsters; Prime Minister Sharon, who has been accused of committing the Sabra and Shatilla Massacres and more, and President Abu Mazen the Terrorist, who Masterminded the Munich Olympics; the Intifada, and much much more. Perhaps they deserve each other, Mr. President, but the World doesn't deserve either one of them.

**We need TRUE PEACE IN THE
MIDDLE EAST, Mr. President,
NOT A MOCKERY.**

What is going on in Israel with the "Unilateral RELOCATION" of the Jews to make Gaza "JUDENREIN," and the game the Palestinians are playing at being "PEACE KEEPERS" and "PEACE LOVERS" is a Farce and a Travesty. And since Russia has just sold Missiles to Syria, the World can't wait to see how Act III plays itself out.

**Please, Mr. President,
DO SOMETHING NOW!!!**
