

An Open Letter To Secretary of State Rice

Madame Secretary,

As much as you view the implementation of an ARRANGEMENT in the Middle East as a “PERSONAL OBJECTIVE,” please DO NOT FORGET that you are dealing with G-D’S CHOSEN PEOPLE who have lived in Gaza, Judea, and Samaria for over 2,000 years.

We ask you to forego any hasty implementation of YOUR SOLUTION, particularly if the solution is contrary to the plan G-D made over 5,000 years ago. We are sure that you know THE BIBLE (both the OLD and NEW TESTAMENTS). Or perhaps the Koran? If we are correct, then you know that your Lord Jesus was a Jew who also lived in Judea, Samaria and Gaza. We do not think that Jesus would smile on any plan to take the Promised Land away from G-D’s CHOSEN PEOPLE and give this Holy Land to the Arabs.

Please give YOUR SOLUTION very careful consideration before acting and remember that G-D never meant for Israel to be an ARAB HOMELAND.

**We sincerely hope that you enjoy your stay in
THE HOLY LAND OF ISRAEL-THE LAND OF
MILK AND HONEY.**
