

An Urgent Letter to the US Congress

PLEASE STOP THE RUTHLESS DICTATORSHIP OF PERES AND SHARON IN ISRAEL.

Peres and Sharon are:

- Training a Gestapo-like force of Arabs and Leftists to pull the Jewish residents of Gaza out of their homes, separating children from parents (as in Auschwitz) to create chaos and then throw them in prepared detention camps
- Arresting anyone who even dares to voice an opposition to the “**Disengagement**” from Gaza
- Creating an atmosphere of Tyranny and Fear among Israelis that has wiped out Freedom of Speech and Liberty
- Terrorizing citizens into Obedience of Tyranny and Fascism
- Throwing Jewish MKs out of Government who disagree with the Sharon and Peres policy and replacing them with Arabs to pass their Disengagement Plan.

The question we have is a simple one—why is President Bush allowing Peres and Sharon to be such Evil and Tyrannical Dictators that are going against the will of the Jewish People in Israel when his entire Inaugural Speech was based on “**LET FREEDOM RING?**”

If Evil and Tyrannical Rule is unacceptable for Iraq and Afghanistan—

Why is it acceptable in Israel?
