

Congratulations President Bush and Vice President Cheney. Your reelection is a clear mandate for you to continue protecting the world from terrorism.

Now we must beseech you to understand how terribly concerned we are over Prime Minister Sharon's Unilateral Withdrawal from Gaza.

Sharon's withdrawal will turn  
**"An Underground Tunnel of Arms Smuggled"** from Cairo into  
**"An Open Door of Heavy Armament"** from Egypt.

We fear, Mr. President, that we will then witness the entire Middle East turn into a "Bloodbath" God forbid, that will eventually spill over onto the entire Western world.

Please, Mr. President and  
Mr. Vice President,  
**DO NOT LET THIS HAPPEN!**

**Stop Mr. Sharon NOW!!!**

*May God bless you both and  
may God bless America.*
